

GREGORY A. MITSCHKE, P.E.

1 Houston Center
1221 McKinney, Suite 3700
Houston, Texas 77010

Huddleston & Co., Inc.

1987 - Present

EDUCATION

Graduated from Texas A&M University in May 1982 with a Bachelor of Science degree in Petroleum Engineering.

PREVIOUS EMPLOYMENT

Employed by Pennzoil Exploration & Prod. Co. in the Houston Marine District as a petroleum engineer and petroleum engineer specialist from 1982-1986. Duties included supervising various drilling, completion, and workover projects in the Gulf of Mexico, estimating and auditing oil and gas reserve information, project economics, production performance optimization, and preparation of revenue and capital budgets and five-year plans.

HUDDLESTON & CO., INC.

Employed by Huddleston & Co., Inc., as a consulting petroleum engineer from February 1987 to present. Duties include estimating, evaluating, and auditing of reserve information, operations analysis, design and cost estimation for oil and gas properties located onshore and offshore, domestic and international. Prepared reserve, economic, and operational evaluations for major and independent oil and gas companies, pipeline and gathering companies, and financial institutions. Provided expert testimony in district court. Appointed Operations Manager of Peter Paul Petroleum Company in 1988 and Operations Manager of Continental Operating Co. in 1992; promoted to Vice President of these affiliated companies in 1997, then Senior Vice President in 1999.

Peter Paul Petroleum Company is a privately held entity which currently manages joint venture and partnership interests in over 3,300 producing oil and gas properties. Continental Operating Co. is a privately held oil and gas operating company which operates approximately 500 properties in Arkansas, Kansas, Louisiana, North Dakota, Oklahoma, Texas, and Wyoming.
