

## **KAREN R. RICHARDS**

1 Houston Center  
1221 McKinney, Suite 3700  
Houston, Texas 77010

Huddleston & Co., Inc.

2001 - Present

### **EDUCATION**

Graduated from Texas A&M University in May 2001 with a Bachelor of Science Degree in Petroleum Engineering.

### **PREVIOUS EMPLOYMENT**

Employed by Cawley Gillespie & Associates during the summer of 2000 in Fort Worth, Texas. Main project entailed the development of reservoir simulation of the Jennings Townsite Field, Louisiana. Duties included collecting and inputting all data (permeability curves, PVT data, pressure data, historical production, etc.) into computer files and making adjustments to data to create a history match. Other projects included compiling monthly economic reports and monthly well reports as well as preparing recommendations for small oil and gas firms.

### **HUDDLESTON & CO., INC.**

Employed by Huddleston & Co., Inc., in June 2001 as a petroleum engineer. Duties include the evaluation of oil and gas properties for use by major and the preparation of reservoir and economic analyses. The evaluations have been prepared for major and independent oil and gas companies, financial institutions, acquisitions, divestments, and investment decision analysis.

### **SOCIETIES**

Society of Petroleum Engineers
